WEDNESDAY, JANUARY 25th

Centennial Meeting Planned

The Centennial program in this area will be reviewed and new suggestions sought at a general meeting to be held in the Centennial Civic Centre at 8:00 p.m. on Wednesday, January 25th.

The meeting will be composed of the Centennial Committee, sub-committees for each project, representatives of Town Council, representatives of all major social clubs in the area and representatives of all neighboring communities who wish to join in the festivities.

Circular letters have been sent out by the Drayton Valley and area Centennial Committee to all surrounding communities inviting their participation in the many major events that will be presented here. The letter suggests that a carload of people from each neighboring community could help in the planning of a variety of events and would at the same time be able to help keep their communities informed on participation.

Because of its geographical location, Drayton Valley will be hosting or coordinating a number of major centennial celebrations that are intended to include people in surrounding communities. The Centennial Committee, in its letter asks communities, clubs or individuals outside of Drayton Valley to share in the celebrations to the fullest extent. The committee hopes to have as many as 5,000 to 10,000 people in the general area participating in the year's activities.

Among the major events scheduled are the Voyageurs' Canoe Pageant in May and the Caravan visit in July. Besides Drayton Valley the Caravan will be stopping in Evansburg, Devon and Rimbey.

Convention Trip Features Variety Of Weather

Ernie Gill and Alf Armstrong both past presidents of the Drayton Valley Lions Club, travelled to Lewistown, Montana last weekend for the mid-winter convention of District 37 of Lions International.

They travelled by bus with 35 other Lions from the Edmonton area to join over 400 delegates at the convention.

The trip featured all the vagaries of old Man Winter at his best (or worst). They encountered a dust storm at one point and when they arrived in Lewistown found that community covered by a 4 or 5 inch blanket of snow.

On the way north two days later the snow was melting, the roads covered with slush and the creeks filled with rushing water. At the border they were greeted by another blinding snowstorm.

Heavy Snows Please Skiers

Heavy snowfalls on two successive weekends have brought smiles to the faces of local skiers. Prior to the first good snowfall of January 7th it appeared as though they would spend the whole winter waiting to get on the slopes.

A good crowd was on hand at the ski hill Sunday, and after the fresh snow was packed, enjoyed excellent skiing during the afternoon.

Two Changes At Pan Am

Pan American Petroleum has announced two changes in the staff at Drayton Valley. George Goss, Area Clerk and Sherrold Moore, Area Foreman are both being moved to the company's head office in Calgary.

Mr. and Mrs. Goss have two children and Mr. and Mrs. Moore, one girl. Both families expect to move soon.

Vacation Winners Leave For West Indies Holiday

Two Drayton Valley couples left by air Saturday to enjoy sunny vacations won in contests last year.

Mr. and Mrs. Don McKenzie, winners of a trip sponsored by the Drayton Valley Curling Club, will visit Trinidad, Barbados, Antiqua, Martinique and the Virgin Islands.

Mr. and Mrs. John Bray won their trip on BA's Musical Showcase and like the McKenzie's will enjoy three weeks in the sunny West Indies.

A side benefit of the lucky drawing of the Bray's purchase slip was the presentation by BA of a $100 cheque that was divided up among employees of Knight Service where the Bray's made their lucky gas purchase. The boys at the service station enjoyed their share of the winnings and hope the other lucky winners enjoy tremendous vacations.

Rebels Break Even in Weekend Exhibitions

No action in the North West Hockey league was scheduled here over the weekend and the Rebels played in two exhibition encounters, coming away with an even split.

On Saturday evening they lost to the Edmonton King A's by a 6-3 score and bounced back Sunday to down the Lacombe Rockets 7-2.

The King A's jumped to an early first period 4-0 lead but the Rebels reduced the score to 4-3 and made a real contest of the game following the shaky start.

Playing before 358 fans on Sunday afternoon (the best attendance recorded to date) the Rebels defeated the Rockets of the Gentral Alberta League by a 7-2 score. They were led by an outstanding performance by goal tender Barry Pankewicz who blocked the Rocket shooters on many excellent scoring opportunities.

League action resumes here at the weekend with the Jasper Totems providing the opposition for games Saturday at 8:30 p.m. and on Sunday afternoon at 2:00 p.m.

Chamber Executive Meeting Thursday

Members of the executive of the Drayton Valley and District Chamber of Commerce are reminded of an executive meeting to be held in the Cardium Room at 7:30 a.m. on Thursday, January 19th.

Two important items (ARDA visit and Committee Chairmen) will be included in the business agenda.

Set your alarm right now so you'll be sure to be there.

Mothers to Meet

A meeting of Guide and Brownies Mothers' Local Association will be held in the Scout Hall on Tuesday, January 24th at 2:00 p.m. Election of officers for the new year will be a major item on the agenda.

ARDA Speakers to Address Meeting

The Drayton Valley and District Chamber of Commerce has been advised that speakers representing ARDA will address a meeting here at a date to be set at the next meeting of the executive of the Chamber.

Mosdell Family Leaving Drayton

Mr. Jack Mosdell, who has been manager of The Bay store here for the past four years, is being moved from Drayton Valley to a new posting in the company organization.

Jack and Betty, and their three children will be leaving here some time in February. Jack has not yet been advised of his new post but expects it to be in either Winnipeg or Eastern Canada.

He will be replaced as manager here by Mr. K.M. Retallack who has managed The Bay store in Rocky Mountain House for several years.

In a letter received here last week the provincial Department of Agriculture outlined plans to have Mr. Gordon Sterling, ARDA Director for Alberta, and Mr. E.B. Nagle, Liason and Public Relations for ARDA, visit communities across Alberta to outline work by ARDA (Agricultural Rehabilitation and Development) within this province.

Drayton Valley has been selected as one of three communities in this area to be visited. The other two are Hinton and Whitecourt and it is hoped by sponsors of the plan that people in surrounding areas will take advantage of the opportunity of hearing about ARDA in the central locations selected.

The meetings will be held during the next three months with a schedule based on regular meeting dates of Boards of Trade and Chambers of Commerce in the communities to be visited. Time and date of the Drayton Valley and district meeting will be announced as soon as plans are completed.

Word has been received in Drayton Valley to the effect that Dr. D.L. Kreycik and family are leaving North Platte, Nebraska in a few days to make their new home here. Dr. Kreycik is the veterinarian who visited here recently with a view to setting up a practice in the area. They expect to arrive here about January 25th.

Oilmen's Bonspiel Again Successful

The second annual Pembina Oilmen's Bonspiel played at the Drayton Valley Curling Rink last weekend was again very successful. A full entry of 48 rinks participated.

Activities got underway with Billy Rose throwing the first rock to open the 'spiel and wound up with the finals Sunday evening.

First event was won by the Carnwood Wireline rink skipped by Gary Bannard who needed the last rock in an extra end to defeat the N. Miller rink of Edson. Third prize in the 1st event went to the John Ward rink and 4th to Al Casey, both of Edmonton.

Top prize in the second event was won by the Fiveland rink. Second prize in this event was won by M. Minailo of Edmonton, 3rd by E. Wennerstrom of Buck Lake and 4th by Bill Bromley of Red Deer.

First prize in the third event was won by the Meraw-McGee rink, 2nd by B. Harrison of Drayton Valley, 3rd by Ken Machan, Drayton Valley and 4th by J. DeCook of Edmonton.

First rink out of the bonspiel was a local entry skipped by Bill Sware. They did not go home empty-handed though, as they were presented with large bottles of perfume as they came off the ice.

Lumber Trucked To Rainbow Field

Imperial Lumber in Drayton Valley was awarded a contract to supply lumber for Flint Engineering working in the Rainbow oil field. Harry Zolmer, Imperial manger, stated that 25,000 feet of spruce lumber and 8,000 feet of plywood were loaded in Drayton Valley recently and trucked to the Northern Alberta field.

Mr. Peter Turtiak, a long time resident of the Violet Grove district, passed away suddenly last week. Our sympathy is extended to Mr. Turtiak's family.

Mr. and Mrs. Allen Ganske celebrated their thirteenth wedding anniversary on January 16th. Allen was working on the crew that was drilling the discovery well at the time of his marriage. Easy way to remember when oil came to our district isn't it?

Drayton Valley will greatly miss the Mosdells, the Moores and the Gosses all of whom will be leaving shortly.

Miss Peggy Bills, of Edmonton, visited her parents, Mr. and Mrs. Dan Bills, for the weekend.

Mr. and Mrs. Dick Baker were Drayton Valley visitors on Sunday. Perhaps you saw Mrs. Baker enjoying--and I do mean enjoying--her first live hockey game on Saturday evening.

Get well wishes to Mrs. Fred Kaarsemaker who is a patient in the Drayton Valley Hospital.

LODGEPOLE

Mrs. Charlotte E. Kay
Correspondent

Lodgepole School Auditorium was the scene prior to Christmas of a Concert and Christmas Party sponsored by the Lodgepole Lions. The concert consisted of a Pageant of the Nativity in tableau with the singing of Carols, old and new led by the members of the Lodgepole Junior Choir under the direction of Mrs. Leonard Kay, and the singing of "Away in the Manger" by the Nursery class of the Sunday School stole the show.

This was followed by a chorus of the Lodgepole Scouts and Cubs, looking very smart in their new uniforms and an amusing skit with Mr. Knapp and the boys.

Mrs. J. Ramshaw directed seven girls in a Star Drill. They were dressed in white with Gold crowns and wands trimmed with tinsel. It brought back a good many memories to the older members of the audience.

Teen Town was represented by Miss Lorna and Lauretta Waters, Miss Janet Negraiff and Miss Debbie Rehn who sang "The Little Drummer Boy" and "Silver Bells".

Two recitations and a chorus by the Lions brought the program to a close followed by Santa and his bag of goodies.

The directors, Mrs. R. Schultz, Sunday School Superintendent, Mrs. J. Ramshaw and Mrs. L. Kay would like to thank the Lions for sponsoring the affair. We would also like to thank the principal Mr. B. Richer and the members of the board for permitting us to use the school for practice. And the parents for their co-operation in getting children to practice and last but no means least the boys and girls who worked so hard.

As a winter project the Lions have sponsored the Skating Rink which is much appreciated by all outdoor lovers. A Snow Blower has been purchased making it possible to keep the ice free of snow.

Mr. and Mrs. E.T. Proehl were guests of their daughter and son-in-law, Mr. and Mrs. Don Caulfield of Cloverdale, B.C. during the holidays.

Mr. and Mrs. J.W. Brodersen were New Year guests at the home of their son and daughter-in-law, Mr. and Mrs. Steve Brodersen of Slave Lake, Alberta.

Mrs. L. Kay entertained for the members of her Junior Choir during the holidays.

The Annual Meeting of the U.C.W. was held recently at the home of Mrs. E.T. Proehl. The following is the slate of officers elected for the coming year: President, Mrs. Glenn Pedersen; Vice-President, Mrs. Ron Schultz; Treasurer, Mrs. E.T. Proehl; Secretary, Mrs. Leonard Kay; Social Convenor, Mrs. J. Ramshaw; Friendship and Visiting, Mrs. E. Rosentreter.

Canada has seven rivers--St. Lawrence, Nelson, Saskatchewan, Churchill, Yukon, Mackenzie and Peace--of more more than a 1,000 miles in length.

United Church Women Hold Regular Meeting

A general meeting of United Church Women was held January 10th in the church. President Mrs. Carol Hoyland presided over the meeting and the devotion was given by Mrs. Margaret McLean.

During the business meeting it was announced we would collect used postage stamps and Christmas cards which will be used in Missionary work. We will also continue to support our Korean orphan this year. Funds have been raised with the help of our Sunday School pupils to purchase a new carpet for the aisle of the Sanctuary and the committee was instructed to proceed with the arrangements.

We would like to mention for the benefit of any newcomers to the community that we have a well-equipped, supervised nursery in the church basement and invite everyone with small children to make use of it while attending church services.

Mrs. Louise Martin is our membership chairman and we would most cordially welcome any new members. We are divided into three units which meet at different times once a month. Two of these are study groups and one is an action group.

Mrs. Shirley Nelson is Supply and Social Assistance Chairman and can be contacted if you know of any case of need in the community.

A most enjoyable film was shown by Mrs. Majorie Gill entitled "Seven Days A Week" showing us how to count as Christians in our everyday world, at home, in our daily work and in the community.

The next general meeting will be held in March, with the date to be announced later.

BERRYMOOR

Mrs. Bea Cropley,
Correspondent.

Mr. Thatcher left for Calgary on Wednesday to visit his niece.

On the day after Christmas, Mr. and Mrs. Jack Thatcher motored to Whitecourt to visit the Cartwrights. Mr. Cartwright was our ferryman for a few years. The Thatchers brought Danny Simard back with them. He and Blair are working together on the brushing crew.

Mr. and Mrs. Shaw and daughter from Selia spent New Years day with Olive and Jack Thatcher.

The Pishke girls have had a bout with the measles. They will be glad to get back to school again.

Mr. and Mrs. Harold Hansen of Edmonton visited Mrs. Barrett on the sixth to help her celebrate her birthday. Many happy returns of the day to you Mrs. Barrett.

Skidoo enthusiasts from Edmonton, Drayton Valley and Mulhurst gathered at the Mobuck Ranch to compete for top honors in the races scheduled for Sunday, January 8th. One skidoo ran too close to the creek bank and the occupants were spilled out causing some injuries. However, those who were there report much excitement and fun.

It is wonderful to have this holiday resort in these parts and we wish Matt and Alice Leake much success in their new venture.

Bill Roberts and family will soon be ready to move into their new home. The house has been moved onto the basement, the power is in and the furnace is being installed.

W.A. Meeting

All Saints W.A. held their regular meeting at Mrs. W. Hammerlindl's on January 11 with 12 members present.

Mrs. Ingram led the missionary period by reading a very interesting letter from a friend in Japan.

Lunch was served by Mrs. Hammerlindl and Mrs. Tyler.

Our Alberta Heritage

ALBERTA'S LUMBERJACK

Do you know what a peavy is? It's a long-handled, steel-jawed implement for handling logs on their way to the sawmill. Swinging this tool, often with robust song, the lumberjack is a vital cog in Alberta's industry. A first step in the process that supplies lumber and strong beams for your new house or store, he pits muscle and brain against the forest to make your life better. With his brawny fellows of field and factory he adds to the talents that keep Alberta on the go! He is the modern counterpart of the devil-may-care lumberjack of story and song, whose double-bitted axe echoed through tall timber in days gone by. Today, working in greater safety with modern equipment, he is still an essential and colourful part of OUR ALBERTA. Courtesy Calgary Power Ltd.

Box 1900, Calgary — who will be pleased to send on request a copy of "Our Alberta Heritage".

Government Appoints Forester

James T. Nalbach has been appointed Extension Forester for the Forest Management Branch, Alberta Department of Lands and Forests, reports R.G. Steele, Director of Forestry.

The extension program encourages the small landowner to work with the District Agriculturist and Extension Forester. They will assist farmers and ranchers to determine the most productive and economic use of marginal agricultural lands through provision of forestry information and education.

Requests for this extension service may be made through District Agriculturists or directly to the Extension Forester, Forest Management Branch, Department of Lands and Forests, Natural Resources Building, Edmonton.

The Meraw-McGee rink skipped by Al Young, winners of the 3rd event in the Pembina Oilmen's Bonspiel, are shown above receiving the Eastman Trophy from G. Nielson. Members of the rink from left to right are D. Meraw, G. Klein, B. Meaver and A. Young.
